Privacy Policy

This Application collects some Personal Data from its Users.

Summary

Personal Data collected for the following purposes and using the following services:

Access to third party services' accounts

AQManager Personal Data: Cookie and Usage Data for personalization

Other Personal Data collected may be described in other sections of this privacy policy or by dedicated explanation text contextually with the Data collection. The Personal Data may be freely provided by the User, or collected automatically when using this Application. Any use of Cookies - or of other tracking tools - by this Application or by the owners of third party services used by this Application, unless stated otherwise, serves to identify Users and remember their preferences, for the sole purpose of providing the service required by the User.

Failure to provide certain Personal Data may make it impossible for this Application to provide its services.

The User assumes responsibility for the Personal Data of third parties published or shared through this Application and declares to have the right to communicate or broadcast them, thus relieving the Data Controller of all responsibility.

Mode and place of processing the Data Methods of processing

The Data Controller processes the Data of Users in a proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data. The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of the site (administration, sales, marketing, legal, system administration) or external parties (such as third party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Data Controller at any time.

Place

The Data is processed at the Data Controller's operating offices and in any other places where the parties involved with the processing are located. For further information, please contact the Data Controller.

Retention time

The Data is kept for the time necessary to provide the service requested by the User, or stated by the purposes outlined in this document, and the User can always request that the Data Controller suspend or remove the data.

The use of the collected Data

The Data concerning the User is collected to allow the Application to provide its services, as well as for the following purposes: Access to third party services' accounts, Creation of the user in app profile, Content commenting and Interaction with external social networks and platforms.

The Personal Data used for each purpose is outlined in the specific sections of this document.

The camera (use of android.permission.CAMERA) is used if the user wants: - Upload photo/video to supply content to the app - Update the profile picture - Scan QR Codes (no picture is taken in this case, and no data is sent over the network)

In these case, the data is sent to servers via HTTPS protocol, after validation of the user.

By default, this includes certain User’s Data such as id. Detailed information on the processing of Personal Data Personal Data is collected for the following purposes and using the following services: Access to third party services' accounts These services allow this Application to access Data from your account on a third party service and perform actions with it. These services are not activated automatically, but require explicit authorization by the User. Users are responsible for the content of their own comments. If a content commenting service provided by third parties is installed, it may still collect web traffic data for the pages where the comment service is installed, even when users do not use the content commenting service.

System Logs and Maintenance For operation and maintenance purposes, this Application and any third party services may collect files that record interaction with this Application (System Logs) or use for this purpose other Personal Data (such as IP Address). Information not contained in this policy More details concerning the collection or processing of Personal Data may be requested from the Data Controller at any time. Please see the contact information at the beginning of this document. The rights of Users Users have the right, at any time, to know whether their Personal Data has been stored and can consult the Data Controller to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, cancelled, updated or corrected, or for their transformation into anonymous format or to block any data held in violation of the law, as well as to oppose their treatment for any and all legitimate reasons. Requests should be sent to the Data Controller at the contact information set out above.

This Application does not support “Do Not Track” requests. To determine whether any of the third party services it uses honor the “Do Not Track” requests, please read their privacy policies. Changes to this privacy policy The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using this Application and can request that the Data Controller erase the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the Data Controller has about Users.
